Week 1 News and Notes!

For those of you that are new, in this section we'll recap what happened last week specifically, the misleading finals, the key injuries, the bad beats and the line moves. We'll include most of these recaps here, therefore you don't have to waste time reading about them in my game-by-game write-ups for the upcoming week. Without further adieu, here's a run down of what happened last week in the world of CFB.

Largest Favorites to Cover:

Miami, FL (-59.5) vs Florida A&M, 77-7
Houston (-51.5) vs Southern, 77-6
Virginia (-47) vs Norfolk State, 59-3
James Madison (-46.5) vs Wagner, 87-3
Notre Dame (-45) vs Rice, 52-0

Biggest Money line Upsets:

Oklahoma State +1100 won 39-31 vs Oregon (+23.5)
Georgia State +240 won 31-17 at Kennesaw State (+8.5)
Appalachian State +200 won 27-24 at East Carolina (+6.5)
Duke +200 won 31-27 at Illinois (+6)

Texas QB Arch Manning led the No. 4 Longhorns to a dramatic 24-23 win over No. 1 Ohio State on Saturday night. Texas trailed Ohio State 23-3 entering the fourth quarter. The Buckeyes were 309-0 when leading by 17 or more points at halftime.

Misleading Finals

Oklahoma State (+23.5) upset Oregon 39-31. The game should not have been close as Oklahoma State had a 554-281 yard edge and gave up a 96-yard interception return TD, basically a 14-point swing.

Texas A&M (-14.5) beat Arizona State 48-20. Arizona State had a 369-255 yard edge but were -3 in turnovers that included a pair of "Pick 6's". Arizona State was +1.7 in yards per play margin.

California (+3.5) upset Syracuse 21-18. However, Syracuse had a 436-249 yard edge but were -3 in turnovers including a "Pick 6". The Orange also missed two field goals.

UTSA (+2.5) upset Texas State 31-26. Texas State had a 481-398 yard edge but were -3 in turnovers. UTSA got a 25-yard TD with :14 left for the win.

Boise State (-9) beat Memphis 38-20. However, the Broncos only had a 578-519 yard edge and trailed 17-3. Memphis was +2.3 in yards per play margin.

Ohio (-2.5) beat Jacksonville State 29-27 in 4OT. However, Jacksonville State had a commanding 447-262 yard edge. Jacksonville State was +2.2 in yards per play margin.

Texas Tech (-26) beat Oregon State 35-24. However, Oregon State had 472-352 yard edge and led 24-21 in the fourth quarter.

Western Michigan (-27.5) beat Monmouth 49-14. However, Monmouth had a 431-414 yard edge. Monmouth was -2 in turnovers and stopped on downs 4 times.

Montana State (-3.5) beat Nevada 20-7. However, Nevada had a 349-330 yard edge but were -3 in turnovers.

Bad Beats

Army was -165 on the money-line vs USF. They were bet up from -3 to -3.5-point favorites late in the week. Army led 24-14 with under 5 minutes left in the game. USF went 75 yards in 6 plays and got a TD with 3:13 left to make it 24-21. Then after Army went 3 and out. USF went 81 yards in 10 plays. On 4th and 6 from the Army 38-yard line, they got a TD pass with :19 left.

The total in the Southern Miss/Auburn game was bet up from 52 to 56.5. Auburn led 43-8 after three quarters. However, there was no scoring in the fourth quarter. Auburn had a first and goal at the Southern Miss 7-yard line and got zero points.

Purdue lost 38-36 to Wake Forest in double-OT. Purdue was bet from a +4.5 to +3 underdog throughout the week. Both teams had opportunities for the cover. Purdue had a first and goal at the Wake Forest 8-yard line in the final minute but settled for a FG to force OT. Purdue then scored a TD on 4th and Goal from the 9 in the first OT to tie it. Trailing 36-30 in the second OT, Wake faced a 4th and 15 from the Purdue 17-yard line. Initially the pass completion was ruled short of the first down. However, after review they got the first down barely. Wake then they scored a TD and 2-point conversion for the win.

Injuries/Personnel News

-Clemson QB Christopher Vizzina will be out 1-2 weeks with a non-throwing elbow injury. True Freshman Tait Reynolds will start vs North Carolina this week.

-Vanderbilt true freshman QB Jared Curtis will make his first career start vs NC State this week. Curtis came off the bench vs Delaware last week and was 14 of 22 for 210 yards and a touchdown.

-Navy QB Braxton Woodson (ankle) will be week-to-week.

-UCF QB Alonza Barnett is expected to be out multiple weeks with a hamstring injury. Keyone Jenkins is expected to start vs Georgia State this week.

-Tulsa QB Baylor Hayes (knee) is expected to miss this week's game vs East Texas A&M. He's expected back next week vs Arkansas.

-Nevada QB Carter Jones (arm) has a shot to play vs Middle Tennessee this week after missing last week's game vs Montana State.

-Louisiana Tech QB Blake Baker fractured his hand and his status is in doubt vs Baylor this week.

-Baylor QB DJ Lagway (ankle) remains under evaluation after missing last week.

-Marshal QB Carlos Del Rio-Wilson left last week's game vs Middle Tennessee and did not return.

-Oklahoma LB Kip Lewis and WR Trell Harris will be out indefinitely.

-Oregon starting guard Trent Ferguson (knee) is out for the season.

-Tennessee starting TE Ethan Davis (knee) is out for the season.

-Texas Tech TE Terrance Carter (foot) and EDGE Trey White (knee) are game-time decisions for the Houston game on Friday night.

-Iowa TE DJ Vonnahme is doubtful for this week's game.

-Washington will be without starting WR Christian Moss (lower body) for 2-3 months. Another WR Rashid Williams is week-to-week. Washington already lost its top two tailbacks Jayden Limar and Quid Carr for extended time after injuries in the opener vs Washington State. Washington starting corner Emmanuel Karnley is also week-to-week. Washington started five true freshman and eight true sophomores against Utah State.

Games in Rotation Order

HOME TEAM IN CAPS

Thursday, September 17th

PITTSBURGH 31 Syracuse 22. Last week Syracuse had a 436-249 yard edge but were -3 in turnovers including a "Pick 6". The Orange also missed two field goals in the 3-point loss to Cal. They can ill-afford an 0-2 conference start. Meanwhile, Pitt limited UCF to just 7 points in the rain. Even though Syracuse is traveling on a short week, we lean with them here.

Friday, September 18th

Miami, FL 38 WAKE FOREST 17. Miami has extra time to prep having played last Thursday. Their offense ranks No. 1 in yards per play (10.0) and No. 1 in yards per game (702.5). QB Darian Mensah has 8 TD passes and only 4 incompletions so far this season. Meanwhile, Wake is coming off a 2OT win at Purdue. They converted a 4th & 15 in the second OT. We lean Miami here.

TEXAS TECH 30 Houston 22. Both teams have played Oregon State. Houston won by 13 at home, Texas Tech won by 11 on the road. Neither team covered. However, the box scores are much different. Houston out-gained Oregon State by 131 yards, meanwhile Texas Tech was out-gained by 120 yards...250 yard difference. Texas Tech could get back starting TE Terrance Carter and EDGE Trey White here. Both game-time decisions. We bet Houston in the summer in this match-up and again on Sunday when they were catching double-digits. Can't recommend it now.

Saturday, September 12th

DELAWARE 31 Coastal Carolina 25. Both teams have impressed so far this season and we've upgraded each of their power ratings by at least 3 points. Both lost by single-digits at Power conference teams and both won and covered vs a FCS team. We trust Delaware's experience.

† **Arizona State 28 Kansas 23.** @Wembley Stadium in London England. Arizona State had a misleading 48-20 loss to Texas A&M last week. They had a 369-255 yard edge but were -3 in turnovers that included a pair of "Pick 6's". Arizona State was +1.7 in yards per play margin. Meanwhile Kansas has an extra day rest but were out-classed by rival Missouri on Friday night. Tough handicap with the added travel and distractions.

PENN STATE 43 Buffalo 6. We're not sure laying 41 points is the ideal spot to be backing a Matt Campbell team especially with this low of a total. However, that's what the market has done so far with this spread up from as low as 38.5. Buffalo has been awful so far but we lean with them here.

OHIO STATE 55 Kent State 3. Ohio State was 309-0 when leading by 17 or more points at halftime in their history. Make that 309-1 after they blew a 23-3 4Q lead at Texas last Saturday. We still have Ohio State No. 1 in our power ratings but do have questions about their defensive line, QB Sayin in big games and finding another WR besides Jeremiah Smith. None of these will be an issue here.

CLEMSON 23 North Carolina 18. Clemson's offense ranks No. 134 in the country and now they'll be starting a true freshman at QB (Tait Reynolds) vs a Bill Belichick defense. Easy to see why the UNDER has taken a ton of money. We still lean Clemson too. Despite a 2-0 start, we're not buying NC yet.

MINNESOTA 37 Akron 12. Minnesota was embarrassed on their home-field last week losing by 25 as 1-point underdogs to Mississippi State. Making a bowl might be tough now as our power ratings are projecting only 5 wins. Akron has been a bit better than expected. We bet them on the soft openers at +28.5 but would actually lean Minnesota -23.5 at current. Numbers matter.

KANSAS STATE 35 Tulane 14. Kansas State has been dominant so far ranking No. 6 in yards per play and yards per game margins while out-scoring their opponents by 47.5 ppg (No. 3). Tulane is 0-2 ATS. Last week they got outgained by South Alabama in a win. Our projections are near the side and total. Pass.

Georgia 38 ARKANSAS 14. Arkansas was crushed by Utah last week. Now they face a Georgia team that ranks No. 1 in the country in yards per play margin (+7.1) and has outscored their first two opponents by 55 points per game (No. 1). Georgia will be a popular public play but our ratings have this near the spread.

IOWA STATE 33 Bowling Green 11. Bowling Green is 0-2 ATS. They rank No. 136 in yards per play margin, No. 136 in yards per game margin and No. 136 in points per game margin. There's not one thing they do well right now. Meanwhile, Iowa State almost pulled the shocker last week at Iowa. They actually led 10-0. We bet UNDER.

TEXAS STATE 33 North Texas 30. At 0-2 Texas State desperately needs a win. Last week they had a 481-398 yard edge but were -3 in turnovers. UTSA got a 25-yard TD with :14 left for the win. Meanwhile, North Texas covered last week's spread by 41 points as they crushed UNLV as home underdogs. Pass.

WISCONSIN 35 Eastern Michigan 10. Wisconsin was lackluster last week in a 36-9 win over Western Illinois. Head coach Luke Fickell said QB Joseph was banged up after the ND game. They should be able to get right here vs a Eastern Michigan team off a 28-point loss to Michigan State. It's one of the few games where our power ratings has a big discrepancy (see page 6).

VANDERBILT 28 NC State 24. Vanderbilt true freshman QB Jared Curtis will make his first career start here. Curtis came off the bench vs Delaware last week and was 14 of 22 for 210 yards and a touchdown. Two disparate results for NC State so far as they fail to cover by 22 in the opener, then covered by 39.5 last week. They'll be a popular upset pick this week.

MISSOURI 38 Troy 13. We came away impressed with Missouri last week as they beat Kansas by 17 and had a 469-255 yard edge. Meanwhile, Troy is 0-2 ATS as a big favorite so far. Near the line.

CENTRAL MICHIGAN 20 Wyoming 19. These two are very similar. Both were blown out in Week 1 on the road in what was expected to be more competitive. Both nearly lost outright to FCS foes last week. Both offenses are terrible. Wyoming ranks No. 126 in total offense while Central Michigan ranks No. 137. Easy to see why we have one of the lowest totals this season.

TOLEDO 28 Temple 23. Both teams have impressed so far. Both won and covered vs an FCS opponent and both played a Big Ten foe closer than expected. We did bet Toledo -2.5 on the Sunday openers. The Rockets are +3.4 in yards per play margin while Temple is -0.2.

LOUISVILLE 31 Smu 29. One of the biggest games of the weekend. The winner has the inside track to facing Miami in the ACC Championship game (Virginia might also have a say). Both offenses rank in the Top 10 in yards per play and yards per game. The light bulb came on in the second half vs Ole Miss for Louisville QB Lincoln Kienholz. He is No. 4 in QBR and No. 4 in yards per pass attempt. Not to be out-done SMU QB Kevin Jennings is No. 2 in QBR and No. 1 in yards per attempt. SMU is 2-0 SU and ATS vs Louisville the last two years with an average cover of 21 points per game. We haven't bet the game.

† **Cincinnati 32 Miami, OH 17.** This game is being played a TQL Stadium in Cincinnati the home of FC Cincinnati. We don't see this on many of the odds screens so possibly some slight hidden value to Miami, OH if the market is giving Cincinnati full home field advantage. With that being said, we bet Cincy -13.5 on the open.

MICHIGAN 42 Ute 7. Michigan got a much-needed upset win over Oklahoma last week. The offensive game-plan featured 18 runs for QB Bryce Underwood and the DL continues to be the strength of the team. UTEP lost 51-0 to Oklahoma in the opener. Tough laying this kind of number with a Michigan offense averaging 15 points per game. Pass.

Use 41 RUTGERS 18. USC is 3-0 straight up but 1-2 ATS. Rutgers is 0-2 straight up and 0-2 ATS failing to cover their two games by a combined 49.5 points. Their entire season can be summed up in last week's opening possession at Boston College: The Scarlet Knights had to take a timeout on 3rd and 1. After the timeout, they failed to convert. Then they went for it on 4th & 1 and failed a QB sneak setting up Boston College for a very short field and a quick 7-0 lead. Right now, my power ratings have the Scarlet Knights favored in only one game (vs FCS Howard). Since 2012, USC is just 2-16 and 1-16-1 ATS in games played in the central and eastern time zones. They have a big game vs Oregon on deck.

ALABAMA 36 Florida State 16. Alabama has revenge for losing outright to Florida State last year in the opener. Alabama in the second half vs Kentucky last week out-scored the Wildcats 32-0. Meanwhile, FSU's 3-point loss vs SMU on Labor Day had an adjusted box score of them losing by 20. The Noles were -3.9 yards per play and out-gained by 261 yards. We lean OVER.

TEXAS A&M 33 Kentucky 17. Misleading final scores last week for these two teams. Kentucky led Alabama in the middle of the 3rd quarter 17-16 only to lose by 28. Meanwhile, Texas A&M led Arizona State 24-20 entering 4th quarter, only to win by 28. A&M got a couple of pick 6's. We bet Kentucky and the OVER.

UTAH 41 Utah State 15. Utah was super impressive in their 43-10 win over Arkansas. If you get the chance look at some of the film cut-ups of what they're doing with both QB's Dampier and Ficklin on the field at the same time. Utah State is 0-2 but nearly pulled a stunner at Washington last week. We lean with them here.

LIBERTY 31 Ball State 17. Liberty almost lost to Gardner-Webb last week as a 4-TD favorite. Is this going to be the final season for HC Chadwell. It's been a very disappointing 2-plus years. Ball State got a win and cover over their FCS opponent last week. We'll lean them getting the hook.

DUKE 30 Stanford 20. Duke is 2-0 SU and ATS. They upset Illinois last week 31-27 as 6-point underdogs. RB Nate Sheppard leads the country with 374 rushing yards! Stanford comes in off the bye. We're not wild about their defense that is allowing 437 yards per game. We bet Duke.

INDIANA 50 Western Kentucky 7. Indiana is 2-0 but 0-2 ATS as a big favorite. WKU is a pitiful 0-2 SU and ATS. They have the worst stats in the country as they are -4.5 yards per play (dead last) and are -42.5 points per game (dead last). This is their third straight road trip.

BAYLOR 36 Louisiana Tech 18. Louisiana Tech QB Blake Baker fractured his hand and his status is in doubt here. Meanwhile, Baylor QB DJ Lagway (ankle) remains under evaluation after missing last week. Tough handicap with that kind of information.

SOUTH CAROLINA 33 Mississippi State 29. We've upgraded Mississippi State's power rating 5.5 points, most among Power 4 teams. Miss State offense is No. 2 in yards per game. QB Kamario Taylor is No. 10 in QBR, 7 TD's 0 INT's. He's a big reason why they've covered their two games by a combined 44.5 points. Meanwhile, South Carolina's offense is much improved. We liked the Kendall Briles hire as they are Top 10 in ypp and ypg. Keep an eye on South Carolina's injuries. LT Peak hasn't played yet and neither has All-American EDGE rusher Dylan Stewart. Beamer says both trending in right direction. We did bet some OVER here. Mississippi St is No. 7 in plays per minute while SC is No. 10 in plays per minute.

OLD DOMINION 27 East Carolina 24. Both teams have taken a big step back from last season. ECU is 0-2 SU and ATS and really needs a win. They miss their OC who left for Ole Miss as they are only averaging 290 ypg (No. 125). We didn't bet the game.

FLORIDA ATLANTIC 35 FIU 28. Shula Bowl. FAU leads the series 17-5. However, FIU broke a 7-game series losing streak last year. FIU is 2-0 ATS. FAU comes in off an upset over Navy. The Owls are running the second fastest tempo in the country and their games are 2-0 to the OVER. That's what we bet.

APPALACHIAN STATE 34 Charlotte 17. Appalachian State is off to an impressive 2-0 SU and ATS start. Last week they got the upset win over ECU. Charlotte is 0-2 but did cover as a huge dog at Ole Miss last week. We saw a big move on Charlotte early in the week (were +20.5). Our power ratings agree with that move.

Marshall 28 MISSOURI STATE 24. Marshall QB Del Rio-Wilson left last week's game vs Middle Tennessee and did not return. The Thundering Herd are a very disappointing 0-2 ATS. Meanwhile, Missouri State got a nice win and cover over Lindenwood last week (we bet Lindenwood). If Marshall's QB plays, we lean Herd.

CENTRAL FLORIDA 36 Georgia State 17. UCF QB Alonza Barnett is expected to be out multiple weeks with a hamstring injury. Keyone Jenkins is expected to start here. He was a multiple-year starter at FIU. Georgia State is off to a great start at 2-0 SU and ATS. They upset Kennesaw State as 8.5-point underdogs last week. We bet OVER.

JACKSONVILLE STATE 28 Georgia Southern 24. Jacksonville State had a commanding 447-262 yard edge vs Ohio last week in a 4OT loss. Jacksonville State was +2.2 in yards per play margin. Meanwhile, Georgia Southern is 2-0 ATS. We bet Jacksonville State.

Nevada 28 MIDDLE TENNESSEE 23. Nevada QB Carter Jones (arm) has a shot to play here after missing last week's game vs Montana State. Nevada had a 349-330 yard edge but were -3 in turnovers in the loss. Middle Tennessee almost upset Marshall last week. These look like two under-valued teams. We lean with Nevada though especially if Jones returns.

SOUTH ALABAMA 29 Ohio 23. An inside-out handicap. Ohio beat Jacksonville State 29-27 in 4OT last week. However, Jacksonville State had a commanding 447-262 yard edge. Jacksonville State was +2.2 in yards per play margin. Meanwhile, South Alabama should have beat Tulane as they had the yardage edge. We bet this on Sunday but the market has been all over it going from -3.5 to -7.

Western Michigan 28 RICE 17. Last week Western Michigan (-27.5) beat Monmouth 49-14. However, Monmouth had a 431-414 yard edge. Monmouth was -2 in turnovers and stopped on downs 4 times. Despite the final score, it looks like WMU was a little bit flat after the Michigan game. Meanwhile, Rice was crushed by Notre Dame 52-0. A ton of money on Rice this week in the market. We like WMU.

Florida 28 AUBURN 27. We loved the Florida OC hire of Buster Faulkner from Georgia Tech. So far so good as Florida ranks No. 5 in ypp, No. 6 in ypg and No. 3 in scoring. QB Aaron Philo won a close QB battle and is No. 5 in yards per attempt. RB Jadan Baugh has 296 rushing yards the first two weeks. No. 2 in the nation. On the other side, Auburn's offense has moved it averaging 501 yards per game...but they've been inefficient and non explosive (No. 63 in ypp). QB Byrum Brown not as efficient 2 TD's, 3 INT's and No. 71 in yards per attempt. Would have some interest in Auburn at +3. Not sure we see it.

Connecticut 30 SOUTHERN MISS 25. We bet Connecticut's win total UNDER. We bet against them in Week 1 and Week 2. Yet, our power ratings like them in this game. UConn is +2.6 in ypp while SM is -0.5.

† **Virginia 30 West Virginia 21.** @Bank of America Stadium in Charlotte, NC. UVA has been dominant so far with 2 easy wins and covers. WVU played one bad half vs Coastal Carolina and is 2-0 SU and 1-1 ATS. UVA is taking money in the market this week. We bet WVU.

Virginia Tech 27 MARYLAND 24. Maryland has the longest non-conference win streak in the country at 20 games! Both teams 2-0 SU and 2-0 ATS. Huge for recruiting game for both coaches who want to win the DC area. This could be a job-saver or job-loser for Maryland HC Mike Locksley. We bet VT on the openers.

NORTHWESTERN 25 Colorado 22. Northwestern comes off an early season bye after beating South Dakota State. Meanwhile, Colorado is off to a 2-0 start. This will be the final game played at Northwestern's temporary lake-side stadium. We bet Colorado.

OKLAHOMA 34 New Mexico 12. Oklahoma comes in off the devastating loss to Michigan. The Sooners offense managed just 10 points and it's become apparent QB John Mateer has not improved at all. New Mexico continues to impress under HC Eck.

Byu 34 COLORADO STATE 17. Big money came in late vs BYU last week and we've seen some money coming in against them here. BYU was out-played for much of the game vs Arizona last week, yet won by 11. Meanwhile, Colorado State is 2-0 straight up and 2-0 ATS with an average cover of 16.5 points per game. Jim Mora Jr is one of the best coaches in the country. Nationally televised audience on CBS, big crowd. We lean dog.

Lsu 31 OLE MISS 30. We have upgraded LSU's power rating 4 points since the start of the season. However, we do have a couple of concerns. Number one, LSU's dominating performance vs Clemson in week one might not prove to be overly impressive considering Clemson might be lucky to make a bowl game this year. Second, LSU quarterback Sam Leavitt has quietly thrown four interceptions already this season. Obviously, multiple turnovers is not a recipe for success on the road. Meanwhile, Mississippi slept walked through last week's game vs Charlotte which did not surprise us. We're expecting one of the most hostile atmospheres in college football this season. Typically, we give Mississippi 3 points for home field advantage as they are on a 23-1 straight up run at home. We gave them an extra 0.5-point here.

NOTRE DAME 38 Michigan State 10. These two have met 79 times and this is the 60th anniversary of their famous 10-10 tie in a No. 1 vs No. 2 matchup. This is the largest point-spread in the history of the rivalry. Both teams are 2-0. ND's motto this year is "Leave No Doubt" and they've done that through two games. New MSU coach Pat Fitzgerald has upset ND twice (as a player and coach at Northwestern). That won't be the case here. We lean UNDER.

TENNESSEE 49 Kennesaw State 14. We came away impressed with Tennessee last week as they beat Georgia Tech 45-24. Kennesaw State is off an upset loss to Georgia State. We like the OVER.

TCU 38 Arkansas State 17. Both come in off wins and covers vs FCS foes. Arkansas State's defense is allowing 6.4 yards per play (No. 121) while TCU finally got the offense going. Pass.

TEXAS 45 Utsa 15. If Texas offense is flat after the big win over Ohio State, it won't matter. UTSA has the No. 127 defense. Meanwhile, UTSA's offense is capable of scoring on a flat Texas defense. Both are top 20 in tempo. We like OVER.

UL-Lafayette 33 UAB 23. ULL is 2-0 ATS this year and +1.6 in ypp margin despite playing USC. UAB is 1-1 SU and ATS and has been a little better than expected. This is

SAN DIEGO STATE 25 James Madison 24. One of the better Group of 6 matchups we'll see. James Madison, the favorite in the Sun Belt is off a 87-3 win over Wagner. Meanwhile, San Diego State's offense disappointed in a 28-10 loss to UCLA (trailed 7-3 middle of 4Q). We lean OVER.

ARIZONA 41 Northern Illinois 7. NIU lost to FCS Illinois State last week but keep in mind they were an underdog. Meanwhile, Arizona deserved better vs BYU as they outplayed them for the first 50 minutes. We bet UNDER.

North Dakota State 35 Sacramento State 12. This line is inflated. Last week Sacramento State was a 17.5-point underdog at Fresno State meaning they would be +15 on a neutral. Yes, they got destroyed 49-3. Now they're catching 27.5 to North Dakota State at home meaning they'd be +30 on a neutral. If North Dakota State were -15 vs Fresno State, we'd have a game of year bet on Fresno. Dog and under.

Fresno State 28 SAN JOSE STATE 21. We bet Fresno State and UNDER. The Bulldogs looked improved in Week 2 on offense. Both played USC and San Jose State was much more impressive especially on offense. Still we defer to our power ratings which have Fresno by 9.

UCLA 31 Purdue 20. Our power ratings only make Purdue a 11.5-point underdog here and I would play this to +14. Purdue is improved in year two under head coach Barry Odom. Last week they nearly pulled a small upset at home vs Wake Forest before losing by two. Wake Forest converted a 4th and 15 in the second overtime. Change that one unlikely conversion and Purdue enters this game 2-0. You have to ask would the Boilermakers still be catching more than two touchdowns here? On the other side, our power ratings have liked UCLA all off-season and in each of the first two weeks. So far, so good as the Bruins are 2-0 straight up and 2-0 ATS. However, each of their two games featured misleading final scores. UCLA won the opener vs California 45-24. The game was tied at 24-24 with under 10 minutes left in the game. Last week, UCLA beat San Diego State 28-10. Again with under 10 minutes left in the game, UCLA was only winning 7-3. Those misleading finals are creating some value here..

Week 3 Computer Projected Lines for Every CFB Game

For the past nine seasons we have posted computer projected lines for every game on Wednesday. **Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 525-471-17 (52.7%) clip.** This year we are off to a 5-3 start. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 2 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite teams this week to back would be **Wisconsin -24.**

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference column say back the favorite. Let us know if you have questions.

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). In 2025, we were 263-209-1 55.7% (CLV 339-86-48 +1.7 ppg) Below is some of what we've already bet for Week 2.

HOME TEAM IN CAPS

BUFFALO 30 Detroit 24. Both teams won thrillers on Sunday. Buffalo had a 7.9-5.2 ypp edge vs Houston. The Lions blew a 21-0 3Q lead only to hold on in OT. The Saints outgained them by 100 yards. The Lions are in brutal spot coming off an OT game and playing on Thursday night. Teams in this situation are just 23% straight up and 26% ATS (40-plus game sample size) failing to cover by 6 ppg. We've seen nothing but Buffalo money and we agree.

Sunday, September 20th

Green Bay 25 N.Y. Jets 19. Two disparate results from last week. The Jets dominated the Titans as 1-point underdogs. New OC Reich had a ton of new formations that gave the offense some life. Meanwhile, Green Bay had the most misleading final of the week. Somehow they led 22-10 late in the third quarter and found a way to lose to the Vikings 39-22. The Packers had a commanding 419-239 yard edge including a 6.3-3.9 yards per play edge. They've now lost 6 straight games dating back to last season their longest losing streak since 1991. Green Bay is the 8th team in the last 20 years to be a road favorite in Week 2 coming off a loss vs an opponent coming off a win. The road favorite has covered those games by 10.3 points per game.

CHICAGO 26 Minnesota 21. Both teams won and covered in Week 1 in fun fashion. Minnesota rallied from 12 down to beat Green Bay 39-22 with Carson Wentz in at QB after Kyler Murray was concussed. Meanwhile, the Bears scored the most points in a season opener in franchise history in their 59-37 win. The look-ahead line was Chicago -3.5. Not sure if Wentz is a 2-point downgrade. Lean Vikings.

NEW ENGLAND 23 Pittsburgh 17. New England has extra time after blowing a 10-point lead to Seattle last Wednesday. Drake Maye threw 3 critical second half interceptions that led to the loss. Meanwhile, Pittsburgh got a solid win over Atlanta. New England has dominated the series including a 7-0 SU and 6-1 ATS mark when favored by 3 or more.

Carolina 22 ATLANTA 21. As of press time we don't know who is starting at QB for Atlanta. Cooper Rush only had a 2.6 QBR in the loss to Pittsburgh. Offense wasn't the issue for Carolina who somehow scored 37 points and still lost by 3 TD's to Chicago. The 59 points allowed were the most in Carolina history. We don't mind teasing Atlanta here especially if they get good news on the QB injury front. Also note that the Panthers haven't won outright as a favorite since 2021. They are on a 0-12 straight up as a favorite!

TAMPA BAY 24 Cleveland 16. The Browns continue to be a laughing stock as they trailed Jacksonville 34-3 before mounting a garbage score TD drive late. However, Tampa Bay has now failed to cover in 10 straight games dating back to last season. That is now the 2nd-longest ATS losing streak in the Super Bowl era. We don't want to lay the 8.5 but don't mind putting Tampa in a 6-point teaser down to -2.5.

HOUSTON 25 Cincinnati 22. Both teams were in shoot-outs in Week 1. Cincinnati was able to win theirs vs Tampa Bay. The Bengals did benefit from +3 in turnovers. Meanwhile Houston lost to Buffalo 36-31. The Texans were -2.7 in yards per play and were -2 in turnovers. We trust the Texans to get the bounce back win as they have the better defense. Shop around you can still find a -2.5 on Houston.

BALTIMORE 27 New Orleans 20. Baltimore was super impressive vs Indianapolis. The Ravens had a 506-251 yard edge and were +3.2 in yards per play. Now they get a New Orleans team traveling for a second straight week. Give the Saints credit for battling back last week. They trailed the Lions 21-0 in the third quarter and somehow forced OT. Their 2-point conversion was no good. Still QB Shough threw for 410 yards and this team continues to fight dating back to last year (7 straight covers). We lean New Orleans.

PHILADELPHIA 23 Tennessee 16. Both teams are 0-1 ATS. However, the Titans were arguably the worst looking team in the NFL last week. Somehow they managed only 195 yards and were beat soundly by a pitiful Jets organization on their home field. Meanwhile, the Eagles held on to beat Washington stopping their 2-point conversion. Can't lay the full 7 here but Philly will be a popular teaser play.

L.A. CHARGERS 25 Las Vegas 17. The Chargers suffered the biggest shocker of Week 1 losing outright to the Cardinals as 9.5-point favorites. There was nothing fluky about the result as they were outgained 393-268. 7,585 entire (30.3%) were eliminated by that result in the Circa Survivor contest. Meanwhile, Las Vegas got a nice win albeit it was over lowly Miami. The Raiders were -0.9 in yards per play. In the Super Bowl era, teams that lose outright in Week 1 as 7-point favorites or more are 20-11-2 ATS in Week 2. Also the Chargers are on a 10-1-1 ATS run vs the division.

DENVER 24 Jacksonville 20. Jacksonville went to Denver last year in Week 16 and won 34-20 en route to a shocking 13-4 season. However, it was Denver who made the AFC Championship game. Denver was awful on MNF. QB Bo Nix had a 8.3 QBR and they lost by 21. Since 2003, teams that lost by double-digits in Week 1 have gone 88-72-6 ATS (55%) in Week 2. Jacksonville got a blow-out win over Cleveland as QB Lawrence threw 4 TD passes. Feels like a classic "Buy Low, Sell High" spot in Week 2.

DALLAS 27 Washington 23. Dallas has now failed to cover in 6 straight games dating back to last season. They were clearly outclassed by the Giants on SNF getting outgained by more than 100 yards. Meanwhile Washington covered at Philadelphia and almost pulled off the big upset as their 2-point conversion was no good. Dallas is 20-1 straight up and 17-4 ATS as a home division favorite. One of our best NFL guys likes Washington though and note in Week 2 matchups of 0-1 teams, the underdog is 55-30-3 (65%) ATS since 2003.

Seattle 23 ARIZONA 18. The look-ahead line on this game was Seattle -10. Obviously, the Seahawks lost QB Sam Darnold for a few games. Drew Lock played well in his absence going 16 of 22 for 187 yards and a TD. Meanwhile, Arizona won outright as a 9.5-point underdog vs the Chargers. It was legit as they outgained the Chargers 393-268. Despite those factors this feels like a bit of an over-reaction. We lean Seattle.

SAN FRANCISCO 29 Miami 16. The Dolphins lost by 14 to the lowly Raiders. Safe to say it's going to be a long season. Some of our most respected NFL guys were betting their win total UNDER 4.5 in the summer. Meanwhile, the 49ers are off a long trip. They spent a week down in Australia and were rewarded with a 27-7 upset win over the Super Bowl favorite Rams. San Francisco outscored L.A. 17-0 in the second half and QB Purdy threw 3 TD passes. San Francisco is just 5-14 ATS off a win the last three years. The Dolphins will be the largest Week 2 underdog in 5 years. Pass.

KANSAS CITY 26 Indianapolis 20. Two disparate Week 1 results. The Colts were blown out by the Ravens. That's now 8 straight losses for the Colts dating back to last season. The Chiefs blew out the Broncos on MNF. Seems like a great opportunity to "Buy Low, Sell High" but the market is all over this one. The look-ahead line was KC -6.5 and that's where it remains.

Monday, September 21st

L.A. RAMS 28 N.Y. Giants 20. The Rams have extra rest following their much-criticized trip to Australia where they flew in 28 hours prior to kickoff and got their butts kicked by the 49ers. Newly acquired DE Myles Garrett was a no-show. Meanwhile the Giants are off a SNF upset win over the Cowboys. The look-ahead had the Rams favored by 9. We lean with them here and obviously they are a great candidate for a final leg of a teaser.
